Hello All, ☺

I am sending this out to request any help you could give for the 2024 Elections. It looks like another crazy Presidential Election Year!

There have been a few changes because of Prop 2 in the last election, mostly because of the new Early Voting offered in our State. Because of the great Ottawa County that we live in you do not have to worry about working for the Early Voting which starts February 17<sup>th</sup>, 2024. Currently, I am asking for help with the Presidential Primary Election Day; FERUARY 27<sup>th</sup>, 2024. However, I would appreciate it so much if you could let me know what other Election days you could work. Not sure about the May Election YET, But there will be, for sure; February 27, 2024: Presidential Primary Election, August 6, 2024, Primary Election, and November 5, 2024: General Election.

Because we received the date for the Presidential Primary Election late everything is behind☹ Please if you can work Elections as an Inspector, Chair Inspector, Vice Chair, or Receiving Board Inspector, let me know as soon as you can. All workers will need to be certified or recertified. They are not offering online training at this time but say they MAY in the future. The reasoning no online training currently is that there is so much to do in a short amount of time for the County as well as the Townships. The Chair training is on February 7<sup>th</sup>, 2024, at 9:00 am. Inspector training is on February 12, 2024, at noon. I will help you register. Workers are paid as follows for Election Day;

- Chair..... \$17.00 per hour
- Vice Chair..... \$17.00 per hour
- Receiving Board Inspector..... To be determined (Bonus if also working Elec.)
- Inspector..... \$16.00 Per hour
- Certification training..... \$16.00 Per hour and mileage
- The day before the Election set up..... \$16.00 Per hour

Dinner for all workers is included, along with coffee, soda, and water. All workers may also Bring what they like as far as food or drink goes. (of course, no alcohol☺)  
Wright Township only has one (1) precinct and an Absentee Voters Counting Board. The Election is being held at St. Mary's; the Counting board is held in the Township Office as in the past.
